❑ Call for Papers

For details, please refer to: <http://www.cccis.org/cfp.html>

5G and beyond networks

Algorithms

Autonomic and Trusted Computing

Big data and machine learning for networks

Cloud computing/mobile cloud computing

Cross-layer optimization and control

Crowds, Social Media and Digital Collaborations

Cyber-security, Privacy and Ethics of IS

Datacenter networking

Computer Architecture

Edge and fog computing/networking

Governance, Strategy and Value of IS

Human Computer/Robot Interactions & Interfaces

Information and Its Technical Education

Information security and privacy

Information-centric networking

Internet of Things

IS Innovation Adoption and Diffusion

Mobile Computing

Mobile, IoT and Ubiquitous Computing

Network measurement and analysis

Network security and privacy

Network virtualization

Social computing and networks

Software-defined networking

Web applications and content distribution

❑ Submission

Online submission system: <http://confsys.iconf.org/submission/cccis2020>

Email: cccis@iacsit.net

❑ Important Dates

★ Submission Deadline: **May 25, 2020**

★ Notification Date: **June 20, 2020**
